23 October 2016

Subject: Warranty of the Star 555 Steel Armor Plate

This is to certify that Buffalo Armory LLC warrants the Star555 steel armor plate for 10 years beyond the date of issue to the customer. Specifically:

1. Plates are warranted to perform to NIJ III 0101.06 certified standards.
2. Plates are warranted to be of the same ballistic performance, construction, and design as the original NIJ certified model listed on the label.
3. During the 10 year warranty period, any plate with a manufacturing or material defect will be replaced.

Plates will be replaced at no cost to the customer. This warranty does not cover a plate that has been altered or modified in any way other than approved alterations.
