A black metal frame stands in front of a wall of camouflage netting. Three circular black targets are suspended from a horizontal bar at the top of the frame. The targets are arranged in a row. The left and right targets have the word "shoot" written on them in white. The middle target has the word "reset" written on it in white.

shoot

shoot

reset

**Rifle Long range
target system**

All shoot and reset targets are made out of Buffalo Armory ballistic steel (3/8 inch Star 555).
